

John Lloyd

Director of Facilities and Operations Team Lead

John Lloyd is the Director of Facilities where he has managed OHFA's office space and services since 2002. Mr. Lloyd co-chairs OHFA's Organizational Planning, Culture and Leadership and Safety committees and leads the Agency's Disaster Recovery and Health and Wellness committees. Mr. Lloyd's previous work experience includes positions at The Ohio State University as well as positions within the private sector. Mr. Lloyd holds an associate degree in facilities management from Columbus State Community College. A member of the International Facilities Management Association, he earned the Certified Facilities Manager designation in 2010.
